

The Village of Viscount

Policy Title Trailer / Mobile Home Park		Adopted By Council	Policy Number 007	
Origin/Authority Council	Jurisdiction Village of Viscount		Effective Date: October 20, 2010	Page 1
Reviewed By Administration			Amended:	

1. Water service will be maintained by the Village of Viscount to the water main located on the property edge of the trailer park. All water services and lines within the trailer park are the responsibility of the owner.
2. Each mobile home or trailer will require a water meter and deposit payable to the Village of Viscount. All water meters are owned by the Village of Viscount and will be billed according to our Utility Bylaw.
3. Each mobile home or trailer must pay the required licence fees of \$30.00/ month.
4. The Village of Viscount will notify REACT Waste Management to do front street garbage pickup up in the trailer park.
5. All building inspections and fees regarding our building bylaw will apply. All mobile homes must be approved before they are moved into the trailer park.
