**NEW COVID-19 RESTRICTIONS IN EFFECT FOR MUNICIPAL FACILITIES**

Please be aware of new provincially mandated restrictions which may affect your visit to municipal facilities. Effective Friday, September 17th and UNTIL FURTHER NOTICE, masks will once again be mandatory when visiting any public indoor space including the Village Office.

Effective October 1st and UNTIL FURTHER NOTICE, proof of full vaccination will be required from anyone wishing to use the fitness centre. At this time we do not have the capability to allow someone temporary access using a recent negative COVID-19 test result. Only those fully vaccinated and providing proof of vaccination will be permitted access

Effective October 1st and UNTIL FURTHER NOTICE, proof of full vaccination will be required to attend public meetings including council meetings.

- 1) **Council meetings** and any other public meetings or hearings being held by the municipality that are open to the public are considered public events, therefore subject to the Public Health Order. This means mandatory masking (effective September 17, 2021), and verification of proof of vaccination (starting Oct. 1, 2021).
- 2) For **Citizens attending municipal offices** to pay taxes, utilities or other municipal business, **mandatory masking applies**. As this is not an event, municipalities do not have to verify vaccination status on individual citizens looking for service.

### **WHEATLAND REGIONAL LIBRARY**
